Seminar announcement

Career Insights Online –

Careers at Industry: BASF SE & Patent Attorney

for young researchers enrolled in PhD programmes at the Marine
Graduate Schools in Bremen, Bremerhaven, and Oldenburg

with: **Dr. Judith Zimmermann**

Since 2016, Judith is working as labteam leader "Microbiology" at BASF SE, Ludwigshafen. BASF is a company with more than 100.000 co-workers, creating chemistry for a sustainable future.

Dr. Jannes Vagts

As Patent Attorney candidate Jannes is working at Eisenführ Speiser since March 2021. Eisenführ Speiser is a full-service IP law firm with a mixed team of specialists including both patent attorneys and attorneys-at-law. At its four locations in Bremen, Munich, Berlin, and Hamburg, Eisenführ Speiser serves a broad national and international client base.

Date & Time: February 25th, 2022 at 14:00 - 15:30

Format: online meeting via Cisco Webex Meetings or Zoom

Language: English

Participants: maximum of 40

Target group: Early career scientists who are interested in broadening their horizon and getting new ideas for their own future career development.

Registration: cgloeckn@mpi-bremen.de

The seminar format "*Career Insights Online*" aims at introducing different job perspectives for marine and climate scientists in the widest sense and offers the possibility to get in touch with former members of the Marine Graduate Schools in Oldenburg, Bremen and Bremerhaven. It focusses on career paths outside of academia and will give insights into job fields in, e. g. industry, (public) administration, consulting, and journalism. Speakers are asked to talk about their current position, the interdisciplinary skills they achieved during their doctorate, the career steps they took, as well as about work-family-life-balance. After a short presentation, participants will have the opportunity to ask questions to the speaker.
