

UGO-Open-Science-Award

The goal of the UGO-Open-Science-Award is to promote open science projects and initiatives at the Carl von Ossietzky Universität Oldenburg. The award is directed at projects and initiatives that follow open science principles *in their work* and actively strive to make research results transparent and accessible to the public. The UGO-Open-Science-Award is awarded **annually** and is endowed with **1000 €**. **Applications** can be submitted **until 04/20/2025**. The award ceremony will take place as part of the **Science Slam** on 18 June 2025. All members and affiliates of the University of Oldenburg are eligible for application. **Applications are open to groups as well as individuals.**

Application for the UGO-Open-Science-Award 2025

Please take a moment to fill in the form carefully. The jury's assessment will be based on your answers.

Any questions or suggestions? Contact the **Referent for Open Science** at Openscience@uol.de  or by phone **+49 (0)441 798-4790** 

There are 10 questions in this survey.
