

Hanse-Wissenschaftskolleg
Institute for Advanced Study

„Together for a University of Excellence – also in Neurosensory Research“

- Joint Conference of the Research Center
Neurosensory Science with Scientists from the
University of Bremen -

01. Oktober 2025, 10.00 – 15.30 Uhr

Moderation:

Prof. Dr. Michael Winklhofer
Carl von Ossietzky Universität Oldenburg

Organisation:

Dr. Nina Gaßmann
Carl von Ossietzky Universität Oldenburg

Unterstützt von:

Venue:

Hanse-Wissenschaftskolleg
Institute for Advanced Study

Lehmkuhlenbusch 4
27753 Delmenhorst

Program

09.30 – 10.00	General meeting of the Research Center Neurosensory Science
10.00 – 10.10	Opening of the conference by the Managing Director of the Research Center Neurosensory Science, Prof. Dr. Michael Winklhofer and Welcome by Dr. Dorothe Poggel (Head of Program BRAIN & MIND) at the Hanse-Wissenschaftskolleg (HWK)
10.10 – 10.30	Prof. Dr. Christiane Thiel (University of Oldenburg, Speaker of the Cluster of Excellence „Hearing4all.connects“): Presentation of the extended Cluster of Excellence „Hearing4all.connects“
10.30 – 11.00	Prof. Dr. Tania Schultz (University of Bremen, Speaker of the Research focus „Minds, Media, Machines“) – Presentation of the research focus MMM as well as own research in the field of neurosensory science- tba
11.00 – 11.20	Prof. Matthias Günther (Deputy Director of the Fraunhofer Institute for Digital Medicine - MEVIS, Bremen) - tba
11.20 – 11.40	Prof. Jan Rennies-Hochmuth (University of Oldenburg/ Fraunhofer Institute for Digital Media Technology Oldenburg, Professorship for “Hearing-, Speech- and Neurotechnology”) - tba
11.45 – 14.00	Lunch break and poster session in the foyer of the HWK
14.00 – 14.20	Prof. Sonja Pyott (University of Oldenburg, Faculty of Medicine and Health Sciences, Professorship for “Cellular Communication in Neurosensory Systems“) - tba
14.20 – 14.40	PD Dr. Sonja Mertsch (University of Oldenburg, University Clinic for Ophthalmology Oldenburg, Laboratory for Experimental Ophthalmology) – “From Bench to Bedside: Nerve Regeneration and Tissue Engineering in the Cornea”
14.40 – 15.00	Prof. Katrin Deinhardt (University of Bremen, Professorship for Cell Biology/Neuroplasticity in the Department of Biology/Chemistry) - tba
15.00 – 15.20	Prof. Sami Hassan (University of Bremen, Institute of Brain Research, Professorship for Systems Neurobiology in the Department Biology/Chemistry) – tba
15.20 – 15.30	Dr. Stephanie Rosemann/Lena Pinkert (University of Oldenburg, SCOP-Group at the Department of Psychology) - Spotlight-Talk Science communication
15.30	Closing of the conference by the managing director of the Research Center Neurosensory Science, Prof. Michael Winklhofer
