# About Shanghai University

Shanghai University (SHU), is a member University of Project 211 and a leading comprehensive university co-sponsored by the Ministry of Education and Shanghai Municipality. It is among Shanghai 's first pilot programs of high-level construction of local university.

As a university with first- class discipline construction qualified by the Ministry of Education, SHU reaches 22 nd among universities in Mainland China in QS rankings 2023, and 1st in the Higher Education World University Influence Rankings 2021.

SHU offers a wide range of disciplines, covering philosophy, economics, law, literature, history, natural science, engineering, management, art, etc.

There are more than 40,000 full-time students in Shanghai University, including over 3000 international students from more than 150 countries. Modern campuses with well-equipped dormitory and sports facilities, and easy accessibility with subway nearby provide a pleasant environment for students of different languages and cultures to study here.

## Academic Modules

SHU now provide **five modules** for incoming exchange students:

**Module of Chinese Language, Business and Management Courses Taught in English, Module of Credit Courses Taught in English (DBIC), Module of Major Courses Taught in Chinese for Bachelor Students and Summer School (four-week).**

If there are courses specified in the cooperation agreement except the modules mentioned above, we will coordinate relevant courses according to the agreement.
