

Dear Engineering Physics student,

We are looking forward to welcome you soon to the Bachelor's & Master's program Engineering Physics at the Carl von Ossietzky University of Oldenburg and the University of Applied Sciences Emden/Leer!

Please find the new student orientation and some links to information on the program attached.

We wish you the best for your studies!

ORIENTATION WEEKS

WELCOME WEEK FOR **INTERNATIONAL** STUDENTS

- Winter Semester 2025/26 : 29 September – 2 October 2025
(Holiday Day of German Unity on 3 October)

- Summer Semester 2025 : 31 March – 2 April 2026

<https://uol.de/en/io/study-in-oldenburg/welcome-week>

ORIENTATION WEEK FOR **ALL** STUDENTS

- Winter Semester 2025/26 : 06 – 10 October 2025
- Introduction Bachelor EP : 9 October 2025, 12:15 – 13:45, room W02 1-148
- Introduction Master EP : 9 October 2025, 14:15 – 15:15, room W02 1-148

<https://uol.de/en/orientation-week> (available in August)

LANGUAGE TESTS

GERMAN PLACEMENT TEST FOR INTERNATIONALS STUDENTS:

All new participants must register on Stud.IP between 1 – 24 September 2025 and take the online Placement test on 30 September 2025 at 10 am (duration approx. 1 ½ hours).

Late registrations can't be considered.

<https://uol.de/en/german-courses-during-the-semester>

<https://uol.de/sprachenzentrum/sprachen/deutsch-fuer-internationale>

STUDENTS WHO WANT TO IMPROVE THEIR SKILLS IN ENGLISH, FRENCH, SPANISH, OR ANY OTHER LANGUAGE:

Check the following web site for detailed information:

<https://uol.de/sprachenzentrum/anmeldung-und-einstufung>

- Mind the registration deadlines of the language courses depending on the language e.g. English: 01.09. – 19.10.2025, registration via the link above or directly via Stud.IP
- Placement tests are required **before** the registration (05.08 – 22.09.2025). Check the website above.

GERMAN INTENSIVE COURSES DURING THE SEMESTER BREAK

Before the lecture periods start intensive German language courses (according to CEFR) are offered in August (B2.1) and September (A2.1 and B2.2 level). In February you can join B2.1. and in March A2.1 and B2.2. The duration is four weeks. Hopefully no fee for Engineering Physics students!

For more information and the online registration please see:

<https://uol.de/intensivkurse-deutsch>

PREPARATION COURSE „MATHEMATICS“

22 September – 2 October 2025, Campus Wechloy, room: W02 1-148, 10:15 am (5.04.050 Vorkurs Mathematik für Physik)

The course will be held in German with English exercises. Please join to meet all other Engineering Physics Freshers.

Exercises: 5.04.050 Ü4 Math pre-course tutorial in English, room W04 1-171, 12 am - 4 pm
